

Qi Timmins

Qi Timmins - A Feng Shui is someone who has studied in the field of Feng Shui and could assist people with the layout, decoration and orientation of both commercial and residential spaces. Feng Shui consultants could be utilized for both interior and exterior or structural applications that depends upon the project they were hired for. Like for example, he or she can be responsible for just the design and cosmetic dressing of an interior space. On the other hand, if a Feng Shui consultant is brought in to offer suggestion during an early planning phase of a particular project, she or he could offer input regarding the structural elements of the space or the building.

Feng Shui is most commonly practiced in office and home places. In the past, this art was most frequently performed buildings of importance like palaces and places of worship. During the nineteen sixties Feng Shui became common in the West. A lot of books have been written ever since then and published in English as well as other languages. Various Westerners who have studied Feng Shui have gone on to become consultants.

There are a few specific schools which offer Feng Shui courses. To be able to become a Feng Shui consultant, it is vital to dedicate intense research time to completely know the practice. Feng Shui is based on knowledge of qi, which is likewise called "chi." Qi is usually defined as the flow of energy that is linked to all the living things. The practice even relies on polarity, the theory of magnetic pulls as well as yin and yang. A Feng Shui consultant should likewise know the many symbols associated to practice and understanding a great deal regarding qi.

Feng Shui is normally performed within private houses throughout Western countries. It is far more rare for professional areas that are built or fashioned according to Feng Shui principles. Even if the space in general has not been organized to the principles of Feng Shui, it is possible to include elements into personal work areas. When including Feng Shui into designing and dressing a bigger area, it might be wise to check with a Feng Shui consultant, although it is possible to complete smaller projects on one's own.

Numerous sites on the Internet are dedicated to providing information regarding Feng Shui, its history and its principles. The information on the sites usually includes general knowledge of Feng Shui plus information regarding schools which provide courses. Some of these web sites likewise offer contact information for those looking for a Feng Shui consultant.
